

BUNGALOWS FOR ARMY OFFICERS BEING FINISHED

By August 1, 25 Will Be Completed; Breezy Gossip at the Fort.

The 25 new officers' bungalows at Fort Bliss will be completed and ready for occupancy by the middle of August. Actual construction work will be finished by the first of the month, but it will be some time before the wiring and plumbing will be connected. The bungalows are most attractive in appearance. They are built of cement and stucco, with white stone trimmings. They are much more adaptable to the climate here than the larger houses of the past. With the completion of the bungalows there will be accommodations at the post for all officers of the regiment. Six of the barracks buildings are being refitted. The walls of the other two are now above the first floor.

A summer housecleaning has been conducted at the headquarters building at the post. The entire building interior of the building has been repaired and redecorated.

Capt. Lefroy, commanding officer of troop A, 15th cavalry, has been ordered to the army service school at Fort Leavenworth.

Lieut. Emory J. Pike has been ordered to the army service school at Fort Leavenworth.

Veterinarian Ray L. Stancil has been ordered to the mounted service school at Fort Riley, Kansas.

Veterinarian Walter R. Gratzman, of the 15th cavalry, is at Santa Fe, and the Big Bend country inspecting the cavalry mounts.

Lieut. Karl S. Bradford has gone to West Point Military academy, where he will be a cadet instructor.

Regimental Sergt. Maj. W. F. Heffner, of the 15th cavalry, is spending a three month furlough in Washington, D. C. West Point and his old home at Rome, N. Y. He will rejoin his regiment the latter part of September.

Private John L. McLaughlin, of troop I, 15th cavalry, has been transferred to Fort Sam Houston for special duty with the department headquarters.

The machine gun platoon of the 15th cavalry, commanded by Lieut. W. A. McCann, will complete its target practice on the rifle range beyond the military reservation August 1. This will complete the target practice of the 15th cavalry and the records and awards for marksmanship will be completed by the first of September, at regimental headquarters.

Troop I, commanded by Capt. Ben Lear, 15th cavalry, stationed at Santa Fe, and troop B, stationed at Presidio, commanded by Capt. George W. Moseley, are expected to arrive at Fort Bliss on August 15, after having served their period of time on the border.

Troop H, commanded by Capt. Robert Beane, and troop I, commanded by Lieut. Charles L. Stevenson.

The 15th cavalry band will play at Clint on Cantaloupe day, August 12.

Maj. W. P. Lewis, surgeon in charge of the medical corps at the station, Gen. Pershing is expected at Fort Bliss next week. His friends have heard nothing of his reported promotion to be assistant chief of staff when Gen. Hugh L. Scott becomes chief of staff.

Murfreesboro, Tenn. — "I have wanted to write to you for a long time to tell you what your wonderful remedies have done for me. I was a sufferer from female weakness and displacement and I would have such tired, worn out feelings, sick headaches and dizzy spells. Doctors did me no good so I tried the Lydia E. Pinkham Remedies—Vegetable Compound and Sanative Wash. I am now well and strong and can do all my own work. I owe it all to Lydia E. Pinkham's Vegetable Compound and want other suffering women to know about it."—Mrs. H. E. MABEN, 211 S. Spring St., Murfreesboro, Tenn.

This famous remedy, the medicinal ingredients of which are derived from native roots and herbs, has for nearly forty years proved to be a most valuable tonic and invigorator of the female organism. PLANNED TO INCREASE BUDGET ALREADY \$27,750 HAS BEEN RAISED AND ONLY 250 PEOPLE SEEN.

Already \$27,750 Has Been Raised and Only 250 People Seen.

A big budget fund dinner to be held at one of the dining features of the budget fund campaign was considered by the chamber of commerce directors at their meeting Wednesday evening. No date was set for the dinner and no final decision was made on it, although the directors favored the holding of a dinner to work up enthusiasm for the final budget fund campaign.

The report of the budget fund canvassers showed \$27,750 raised for the fund and only 250 persons have been seen by the committee. The directors decided to hold the dinner until 10:20 Wednesday night, selecting names of business men to be seen and dividing the city into districts to facilitate the canvass for the budget fund. More workers are needed, as the directors are doing the canvassing for the fund with little assistance from the business men. The Rotary club has offered to help in the canvass and will appoint a committee to assist in this work. The Ad Club will also help in the final canvass of the city.

Ask Stage Line to Arise.
A communication was read from the Artesia, N. M., chamber of commerce asking that the roads between El Paso and the Big Bend country be improved and a stage line be started. This was held for consideration until after the budget fund campaign had been completed. The stage line would not consider they have the time to take up this road work at present.

The Wright cleaning works, the Ferguson investment company, and Dr. J. M. Richmond were admitted to membership in the chamber of commerce.

The directors present were: R. B. Orndorff, Robert Krakauer, C. A. Kline, C. L. Strimann, Claiborne Adams, and J. M. Richmond.

He also alleges that the Commercial National bank agreed to guarantee payment for the stock and named the bank as one of the defendants.

The plaintiff alleges that on June 15, 1914, 70 head of cattle were delivered to the firm mentioned. The stock was valued at \$10,075. Mr. de la Cruz says, the amount sued for and payment has not yet been made.

TO SAVE EYES
Is the Object of This Free Prescription
Try It If Your Eyes Give You Trouble.

Thousands of people suffer from eye troubles because they do not know what to do. They know some good home remedy for every other minor ailment, but none for their eye troubles. They select their eyes, because the trouble is not sufficient to drive them to an eye specialist, who, anyway, charges them a heavy fee. As a last resort they go to an optician or to the five and ten-cent store, and oftentimes get glasses that they do not need, or which, after being used two or three months, do their eyes more injury than good. Here is a simple prescription that every one should use:

5 grains Optina (1 tablet).
2 ounces Water.

Use three or four times a day and bathe the eyes. This prescription and the simple Optina system keeps the eyes clean, sharpens the vision and quickly overcomes inflammation and irritation; weak, watery, overworked, tired eyes and other similar troubles are greatly benefited and a lifetime cure by its use. Many reports show that wearers of glasses have discarded them after a few weeks' use. It is good for the eyes and contains no ingredient which would injure the most sensitive eye of an infant or the aged. Kelly & Pollard or any druggist can fill this prescription promptly. Try it and know for once what real eye comfort is.—Advertisement.

BIG SUPPLY OF MUNITIONS FOR WAR

Also Buys Medicine and Prepares to Fight, While Carranza Talks Peace.

Reports reaching here today told of no more of the clothing features of Villa's troops other than a gradual mobilization at Torreon. Villa himself remained at Chihuahua city, while Carranza, recruiting continued. The extensive purchase of supplies for Villa's army and the smuggling of ammunition over the border here continued, according to official reports.

It was said that Carranza had ordered medical supplies sufficient for 4000 wounded, as if he expected much fighting in the near future. Inasmuch as Carranza reports say that Carranza and Carranza have agreed upon terms by which the federalists are to surrender Mexico City in 10 days, this activity of Villa indicates either that he has no faith in what Carranza has promised or that Carranza is not man to be trusted if he joins Carranza in the formal entry of that Villa is planning a war on his own account. In the latter eventuality, it could mean one thing—that Carranza is going into the field against Carranza.

The steamer Hatteras, laden with ammunition for Carranza, is making mysteriously some place between Galveston and Tampico. Inquiry was made today by "Constitutionalist" agents here about the matter.

Whether the boat has become lost or been kidnapped is not known. She sailed about 10 days ago from the port of Havana. This was about the time of the Carranza-Villa conciliation conference, which Carranza had been believed had settled the difficulties between the two revolutionary leaders.

The matter of securing arms was one of Carranza's main complaints against his so-called commander-in-chief. Villa agents bought about 1,000,000 cartridges and several hundred rifles, shipping them on the Hatteras to Torreon by way of Tampico.

Carrollers See Wilson.
George T. Carrollers, special agent of the state department, departed Thursday morning for Washington, D. C., where he will hold a conference with president William J. Bryan, relative to the Carranza-Villa situation and Carranza's attitude toward the United States. Other important matters will also come up at the conference.

Home Taken for Hospital.
Because of the congested condition of the military hospital at Chihuahua the "Constitutionalist" have confiscated the home of Juan Terrazas and will convert it into a hospital. The new hospital has been christened "Finca Suarez." There are a large number of rebel wounded at Chihuahua, being nursed during the battles of Torreon and Zacatecas.

Rebel Officers Sent Home.
"Constitutionalist" army officers will no longer be permitted to cross the international bridge to wine and dine at local hotels and mingle with the officers of the federal army. The word to Rodolfo Pardo and Isabel Robles, who were visiting at the Rheingarten hotel, was to return to their homes at once. He would have them arrested and sent to Fort Wingate, where the federal prisoners are held. But the officers beat a hasty retreat across the line and it is not very likely that they, or any of the other rebel officers, will visit El Paso again.

Rebel Casual Here.
Angel de Chas Solis, "Constitutionalist" army officer, was killed during a conference with the Maderistas.

DEATH CONFRONTS CATTLE THIEVES
Agua Prieta, Son., July 30.—The Sonora ranger force now being organized by Col. Elias Calles has been ordered to the firm mentioned. The stock deal severely with all cattle thieves found on the Mexican side of the line, regardless of nationality, according to a report received from Mexico.

The order follows a number of arrests recently on the American side of the border when the prisoners were charged by the United States officials with stealing Mexican stock and smuggling them to the United States.

On account of the turbulent times, many Sonora stockmen have been unable to brand calves for two years, and hundreds of unbranded calves are roaming the ranges near the international line.

HUERTA SAILS SUNDAY.
Kingston, Jamaica, July 30.—Ex-president Huerta, who arrived here July 14, completed arrangements for his departure for Europe next Sunday. COLORADO MILITIAMEN TO BE MUSTERED OUT
Colorado Springs, Colo., July 30.—The court of inquiry, consisting of Maj. E. J. Broughton, judge advocate, Maj. P. B. Goodwin and Capt. J. W. Lindbergh, which has been investigating conditions in company K, Colorado national guards, today recommended mustering out of the company. Equipment of the company at the army was loaded this morning for shipment to Denver.

A considerable quantity of rifles and other equipment, it is said, is missing, and both militiamen and civilians are in whose possession the missing articles are said to be, will be prosecuted.

THOUSANDS WITNESS FUNERAL OF SLAIN IRISH VOLUNTEERS
Dublin, Ireland, July 30.—More than 200,000 persons standing bareheaded and silent in the streets, witnessed Wednesday night, the funeral procession of the three persons killed last Sunday when the king's own Scottish borderers fired into a mob during an attempt by the police and the soldiers to seize arms which were being brought to Dublin by the Irish Nationalist volunteers. All shops were closed for the occasion.

The procession, which started from the cathedral, was a mile and a half long. The mayor and city council and other public bodies and battalions of Nationalist volunteers followed the hearse.

CLEMENTS RETURNING FROM VISIT TO NEW YORK CITY
George H. Clements, correspondent of the International News Service, who has been in New York City for the past several days, will arrive home Friday afternoon. Mr. Clements was called to New York for a conference with the editors of the new service. Upon his arrival here, John W. Roberts, who has been in the field for Mr. Clements, will leave for Chihuahua to join Francisco Villa. Phil Johnston, who is connected with the border bureau of the International News Service, will leave Thursday afternoon for Salt Lake to join Carranza.
